MAC Air Group, located at the Portland International Airport & the Naples Municipal Airport, has provided aviation services to the general and corporate aviation communities for 60 years. Our success is due in part to providing exceptional customer service across all divisions – full service domestic/international charter operations, aircraft management services for corporate jets, jet sales and aircraft maintenance.

MAC Aircraft Sales can help evaluate your aircraft needs by placing all of our know-how and experience at your disposal. Whether you're buying or selling, we'll execute a marketing strategy, negotiate key points, as well as show qualified buyers your aircraft. Our staff will locate aircraft, coordinate your pre-buy inspections, manage the purchase and sale process and handle FAA Registration and International Registry.

As an established quality aircraft sales business, we're proud of our earned reputation in safety, reliability and customer service.
